PureBEAUTY+

The hazards associated with quick-dry nail sprays, nail varnishes and removers, as well as nail extension materials need to be assessed under the UK COSHH regulations. The main concern is the inhalation of dust or solvent fumes produced when using these products.

The multi-layered pre and chemical filters in the PureBEAUTY+ captures all the contaminant and returns clean air into the salon. It fits into any salon, without the need to replace existing nail stations or furniture.

Approvals CE

Dimensions 420 x 290 x 270mm
16.54 x 11.42 x 10.63"

Airflow/Pressure 180m³/hr / 30mbar
106cfm / 30mbar
